

## Switch Access

Positioning of student and equipment

Hardware  
(switches, switch interfaces, mounting devices)

Scanning modes and selection sets

Switch access instruction  
(prompt hierarchy, learning continuum, activities, software/apps,  
implementation strategies, goals & objectives)

\* In the case of switch access we are at the high end of the continuum for accessibility and the tools listed do not fit the classic continuum structure of low to high tech but are designed as a guide in selecting the appropriate switch access tools for students.
